U. S. COURT ACTION TO FOLLOW IF UNION LEADERS DISOBEY

Labor Board Makes Plans for Enforcement of Its Order for No Strike.

CHICAGO, Oct. 22.—Strong belief exists here today among the members of the Railroad Labor Board that their orders for a new conference on the strike issue will be obeyed by both executives and union leaders.

If they are not obeyed, they indicate that the next move is up to the Department of Justice which there is good reason for saying, is prepared to start summary proceedings in the United States courts.

These proceedings, it is intimated, will be double-barreled in that they will seek relief by mandamus and restraining order, the first directed against the grand officers of the several unions compelling them to recall the strike orders, the second enjoining those officers, their subordinates and members from interfering with the orderly flow of interstate traffic.

The orders of the board constitute the first anti-strike mandate to be issued by it.

Within two hours of the issuance of the notices, both sides had notified the board of their intention of complying with the order. Whether this will include recall of the strike order of the trainmen on the International and Great Northern was not made clear. Board members, however, expressed the opinion that William G. Lee, Grand President of the trainmen, would issue the necessary instructions rather than risk injury to his entire case.

Twelve thousand clerks of the operating department, 700 of the car service department of the Eastern region have notified Pennsylvania officials how they would not strike. Thirty-four thousand maintenance of way and shop laborers already have signified their intention of remaining at work.

L. I. ROAD APPEALS TO MEN NOT TO QUIT

Warns Them Strike Will Cost Priority and Pension Rights.

In an announcement sent its employees today, the Long Island Railroad both appeals to them not to strike and sounds a warning that a strike action would wipe out priority claims and interfere with pension rights gained through years of service. The railroad states that it has as yet received no official notice that a strike will take place.

GERMANY'S CABINET RESIGNS OVER DROP IN VALUE OF MARK AND THE SILESIAN DECISION

Serious Consequences Feared in View of Attempt by Austrian Ex-Emperor to Regain Throne.

BERLIN, Oct. 22.—(United Press).—The Cabinet headed by Premier Wirth resigned today.

Coming coincident with the uprising to restore former Emperor Charles on the Hungarian throne, it was feared here that the Cabinet resignation might have serious consequences.

The Cabinet had been tottering for several days because of the rapidly falling value of the mark and because of the League of Nations Silesian decision which took from Germany some of the rich industrial territory she had hoped to secure. It was believed, however, that the fall of the whole Wirth Government might be stayed off by the resignation of several of the Cabinet members.

CANADIAN WINNER OF SCHOONER RACE, YANKEE CRIPPLED

Bluenose Crosses Line More Than Three Miles Ahead of The Elsie.

HALIFAX, Oct. 22.—Bluenose of Lunenburg, the Canadian challenger, today won the first international fishermen's race in a rip-roaring wind of 27 knots that carried away the foremast of her rival, Elsie, out of Gloucester, after half the course had been covered.

Elsie crossed the finish line about three miles behind her rival.

Today's was a tense, dramatic, sailorman's race—such as often is run when smacks dash through northeastern waters on their way to port with a big catch.

Elsie crossed the line first, but was beaten to the first mark. She sailed the second and third legs, but only by about two minutes.

Then her foretop crashed to her decks in a squall which hit both vessels. Bluenose promptly doused all her uppers, but Capt. Marty Welch refused to withdraw and kept his mainmast set, risking his stick to beat his rival.

Cutting away the wreckage, Elsie kept doggedly on, but dropped steadily behind.

The Yankees, however, had no alibi to offer. They had sailed a good race and lost.

The next race is scheduled for Monday. Whether Elsie will be able to reef in time, or will have to request a postponement is a question.

HUGE GRAIN SHIPMENTS ARE RUSHED THIS WAY

BUFFALO, Oct. 22.—Daily loadings here of export grain for shipment to the seaboard have doubled in anticipation of the threatened tieup of the railroads. Export grain loadings at this point in twenty-four hours exceeded 2,000,000 bushels, compared with a normal movement of 1,000,000 bushels.

About 40 per cent of the shipments are coming through the New York waterway. The remainder of 60 per cent is going through Philadelphia. At the present rate of movement it is calculated that the electrically operated port will be able to capacity within a week.

No fear of congestion for lack of ships at New York is entertained by the railroads. The grain now stored here is said to aggregate 15,000,000 bushels, mostly wheat.

PRINCETON TACKLES CHICAGO IN STIFF GRIDIRON BATTLE

(Continued From First Page.)

cance marched in swinging around the running track the little regiment passed in front of the visiting section to give a Chicago cheer.

The Princeton section was somewhat stunned when the announcement was made that Don Lowrie, the quarterback would not play, and that Garrity would only go in for emergency purposes. Enver was in Lowrie's place and Smith in for Garrity.

Keck's for Princeton, kicked off to Chicago's 17 yard line. Gaining 3 and 4 yards at a time, the Westerners opened a savage attack on Princeton's line. Timme, the maroon fullback, was especially hard to stop. Chicago steadily worked the ball to midfield at a five yard penalty. At this point the Tigers braced, and stopped two line plunges.

The visitors then tried one of their famous shift formations but it netted only one yard. Romney attempted the first forward pass of the game, but Gilroy was on the job for Princeton and knocked the ball to the ground. With only one more down, Romney punted over Princeton's goal line, bringing the ball out to the 20 yard line, VanGerbeg promptly punted to Chicago's 30 yard line, where Romney skipped back 3 yards before going down under two Princeton tacklers.

Once again the western began their line drive. Steadily the ball was advanced to Princeton's 45 yard line.

The maroon team tried a tricky formation, but the ball was fumbled and when the pile was untangled, Keck, the giant Nassau captain, was found clutching the ball. Smith hit right tackle for five yards the first chance the Tigers had to show their offense. After Gilroy failed to gain, VanGerbeg tried to punt. The effort was miserable. The Chicago linemen broke through so fast that VanGerbeg was hurried and kicked the ball straight up in the air for only a ten-yard gain.

After three plays gained eighty yards, Romney tried a long field goal, but the kick was short, and Princeton's three line smashes promptly punted to Chicago's forty-yard line. The ball touched a maroon player and before he could recover it, Stinson reached his opponents' territory.

It was the first time the Tigers reached their opponents' territory. Smith made four yards through right guard. Princeton was penalized five yards at this point. VanGerbeg dashed around left end for eight yards.

NOTHING TO NOTHING AT END OF FIRST PERIOD.

The same player then punted out of bounds on Chicago's 30 yard line. Three line smashes made first down for Chicago. Timme found a big opening and gained 15 yards. Cole started this by shooting through the right side of Princeton's line for 25 yards, almost getting a clear field. Just when it looked bad for the Tigers, Chicago lost 13 yards, when its centre passed the ball clear over Romney's head. After this unexpected setback, Romney made a long punt over Princeton's goal line. Starting operations from the 20 yard line, Smith gained 3 yards through right guard. This was the end of the first period.

PRINCETON, NOTHING. CHICAGO, NOTHING.

Starting the second period, Princeton, aided by a strong wind, kicked deep into the opponent's territory. Tigers made a change in their line. Baker going in at left guard for Von Schilling. Chicago again began pounding the line, but Princeton held strong and stopped the first plays. After being penalized 15 yards, the Westerners punted to Princeton's 45-yard line, where Enver fumbled, but Gilroy captured the ball for Princeton. It was a narrow escape for the Tigers, as two maroon men were only a few feet away at the time.

Princeton's three line smashes made first down. Smith did all the running. On the next play the Tigers fumbled, but recovered the ball. Chicago threw an end run for a 1-yard loss. After a forward pass, Enver to Smith, failed Smith dropped back to the 45-yard line and tried a field goal. The ball sailed straight for the goalposts and only missed the mark by a few yards.

Starting operations from the 20-yard line, Chicago gained 8 yards around Princeton's left end. Two line smashes earned first down for Chicago. Cole gained 3 yards through Keck. Time had to be taken while repairs had to be made to the giant Princeton leader.

After this Chicago kicked out of bounds, but the Tigers were off side and the ball was brought back and given to the Maroon team. The visitors tried another forward pass, but for King passed the ball far over Romney's head, and the play failed to gain, although the Chicago quarterback managed to race back 10 yards before Wittmer caught him.

WHEN CHICAGO MAKES DOUBLE PASSES.

After an exchange of kicks Chicago started operation on its 33-yard line. A double pass was good for 4 yards. Chicago gained yards around left end, Chicago hit left tackle for first down. The Tigers were being pushed steadily back. A dash around right end netted 6 yards. Timme hit right guard for first down. Keck stopped Cole for a 4-yard gain.

On a wide run around left and Chicago made first down. The Tigers at this point were penalized 5 yards for unnecessary roughness. This put the ball on Princeton's 10-yard line. The Tigers drew another penalty of 2 yards for delaying the game. The Orange and Black line braced and held two Chicago smashes for only a yard gain.
